

Job Posting

Case Manager III – Youth Team

JOB SUMMARY

Case management is the central support and advocacy hub for individuals and families at Ometz. Case Manager III on the Youth Team provides evaluation, crisis intervention, short-term and long-term intervention, advocacy, referrals, coordinates psycho-social and concrete services to vulnerable youth in the Jewish community, with the goal of enhancing individual functioning, autonomy and social integration.

RESPONSIBILITIES

- Provide advanced clinical and consultative social services to clients
- Conduct social and psychosocial evaluations using appropriate theoretical approaches
- Assess client's financials, when appropriate;
- Formulation of client-centered action plan including crisis intervention, agency response, referrals and regular follow-up;
- Ongoing psycho-social support;
- Collaboration with diverse internal professionals within the team and agency;
- Coordination and advocacy with other services and networks;
- Consultation with other external professionals and systems;
- Facilitation of activity groups, when appropriate;
- Identification of trends in requests and community needs;
- Fulfillment of all administrative and data collection requirements;
- Presentation of cases on internal and external committees;
- Serve on agency inter-agency and intra-agency committees;
- Provide supervision for student internships when needed.

REQUIREMENTS

- Masters degree in social work or other professional equivalent;
- Minimum of 2 years of experience working with youth and young adults;
- Experience organizing client groups;
- Experience in youth oriented alternative therapies, an asset;
- Concrete experience with the Montreal social service network;
- Fluent bilingualism in both official languages; written and spoken;
- Knowledge of Jewish Community.
