A CONCRETE RESPONSE TO AN URGENT NEED, FOR A REAL IMPACT ON FAMILY SAFETY

IN COLLABORATION WITH COMMUNITY PARTNERS

Harmonie Conjugale Inc. is a non-profit organization founded in 1982. Its mission is to help prevent domestic violence by working with partners exhibiting violent behaviors, in partnership and complementarity with other resources addressing this issue, while also engaging in activities for information, prevention, and awareness among women, youth, children, and the general public. We are also interested in other forms of violence affecting our society and, more broadly, in the social and psychological factors that give rise to these violences.

THErapy follows an integrative approach with a humanistic and psychodynamic focus
emphasizing emotional regulation and mobilization of intrinsic motivation
